

Response date: 26 June 2023

You asked Money and Pensions Service the following

“Please can you confirm that Exponential-e provides you with connectivity and when this contract was signed?

Are you based in a co-located building? If so who is the building shared with?”

Money and Pensions Service Response

1. Exponential-E does provide our internet and the contract was signed in March for 12 months.
2. We are co-located at two separate sites; however, MaPS does not keep a record of the other tenants and does not have access to the leasing arrangements for adjacent offices at each site.

To access this information, we suggest you contact the landlords for each property;

- 120 Holborn EC1 2TD: visit site Holborn Island London EC1 - Metrus
- Bedford Borough Hall: email freedomof.information@bedford.gov.uk
