

Response date: 6 November 2023

You asked Money and Pensions Service the following

“Thank you for publishing your entity’s expenditure data on your website here: <https://maps.org.uk/en/about-us/expenditure-over-25000>

However, I am currently unable to find details on your spending for certain periods of time. For this reason, I would like to use the Freedom of Information Act to request expenditure over £25,000 for April and May 2023.

Please can you provide the data in a machine readable format, such as a CSV.”

Money and Pensions Service Response

We have provided the requested information, which is attached to the email.
