
Response date: 22nd July 2025

You asked Money and Pensions Service the following

1. Any contracts with external pensions data providers, including pensions tracing services, for the Pensions Dashboards Programme
2. Of these, are any contracts held with Heka Global, or are there any plans to use Heka Global to provide services for the Pensions Dashboards Programme.

Money and Pensions Service Response

Following a review of our records, we can confirm that the Money and Pensions Service (MaPS) is not aware of any contracts involving external pensions data providers, including pensions tracing services, in relation to the Pensions Dashboards Programme. Additionally, we do not hold any information relating to Heka Global.
